

Regulations FMBB commissions.

1. Presentation

- a. The FMBB Commissions are non-mandatory commissions of the FMBB. The assignment of the commissions is to represent and to take care of the good functioning of the FMBB World Championships different disciplines.
- b. FMBB commissions for the following disciplines are existing:
 - IPO, Mondioring, Agility, Obedience.
- c. Start-up FMBB commissions in the future for the following disciplines if needed:
 - Exposition, Canincross-Bikejöring.
- d. The FMBB Commissions are made up of delegates from countries which are a member of the FMBB and want to have a representative in the different commissions. These delegates have to be member in the Belgian Shepherd Club in their country.
- e. Belgian Shepherd Clubs that are interested to propose a delegate to join a commission can propose this to the FMBB corresponding Commission. If the commission accepts the candidate commission member, the commission will inform the FMBB secretary to ask approval from the FMBB board.
- f. The maximum member per commission is 6 members.
- g. To become effective, all decisions made in the different commissions, have to be approved by the FMBB Board.
- h. The FMBB Commissions are led by their members in college.
- i. A commission secretary will be appointed by every commission. The "commission secretary" will take care of all communications between the commission and the FMBB Board.
- j. The different FMBB Commissions makes and keeps up to date the implementation rules for the different disciplines. Every change in these rules must be send to the FMBB board for final approval.

2. Meetings and reports.

- a. The FMBB Commissions meets through electronic means (Skype, email, Facebook,...) or on the annual World Championships.
- b. From all meetings, a report must be written and sent to all commission members for the approval. After approval, the reports will be send to the FMBB secretary.
